Jorge,

I forwarded your question about 68HERC21F0115 to Autumn Downey who is the responsible staff officer for the project. She said she will get back to you, if she hasn't already done that.

Thanks for the quick response Ray. I'm also wondering about 68HERC21F0115. That one is supposed to have ended 8/10/2022 if I am not mistaken. It also has a huge balance left.

Jorge,

Yes, all work has ended on this TO. Only trailing costs are being reported for work done prior to the TO end date.

Hi Ray,

Can you confirm that all work on this TO has ended for me please. The TO end date that I have is 7/31/2022. Trailing costs are understandable.

Thanks

Dahnish,

Attached is a monthly progress report for Task Order #68HERC20F0025 for August 2022. It covers trailing costs associated with activities for Task 2\_NAS-Led Meetings and Workshops to Support Assessment Development.

No costs related to Task 1 or Task 3 are reported.
